Welcome to the world of Great!

We were thrilled with GreatWhite's vision of providing an extraordinary lifestyle and were fascinated by the revolutionary products that the brand has developed in the home electrical space. The brand has redefined the meaning of comfort with solutions that are not only innovative but at the same time environmentally friendly too. The idea of creating a comfortable lifestyle with a sustainable environment is the true meaning of luxury and this enticed us for the association with the brand.

With this association as brand ambassadors of GreatWhite, we feel privileged to promote luxury and comfort to consumers across the globe. The world is changing and we believe the need for convenience and safety is the need of the contemporary world. The brand's philosophy of providing a better life with innovative and ultra-modern solutions resonates with our personality. Moreover, the commitment towards work and relentless efforts to create products of exceptional quality and standards sync with our belief.

We welcome you to this journey of luxury, indeed to a journey of Great.

Redefining The Ordinary

Dream Boldly For Myrah Awaits...

A portal of possibility. Where imagination births existence. A sanctuary where innovation paints the sky with hues of 'WOW'.

Every new Myrah switch embodies the 'WOW' factor - a fusion of technology and aesthetics. New Myrah's 'WOW' isn't loud; it's the quiet gasp of admiration when form meets function.

Whether you're designing homes, offices or hospitality spaces, new Myrah promises to upscale your experience... promising to enhance your daily interactions.

A Design Evolution

Radiating newness, diverse hues & vibrant designs, this range effortlessly meets every aesthetic and functional need. It brings a fresh wave of elegance, transforming your spaces with sophistication and style.

New Myrah switchplates come in premium materials like reflective, sleek glass and textured polymer, each selected to elevate durability and elegance. The finishes are as versatile as the designs—combining functional excellence with a touch of luxury, creating an unforgettable statement in any room.

m-Touch

A Quiet Revolution

Step into the future with new Myrah's M-Touch Series, designed for those who appreciate the finest in advanced technology and silent sophistication. These touch switches epitomize futuristic elegance and powerful functionality.

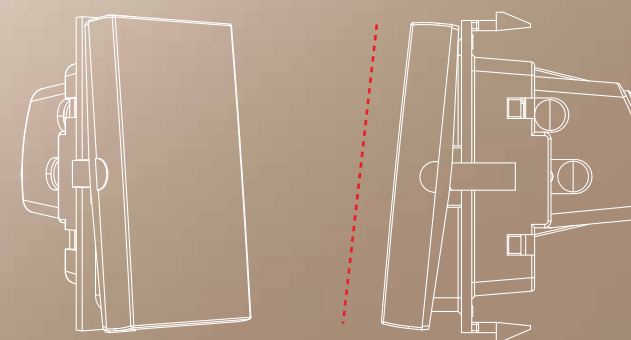

The feather-light touch ensures effortless operation, providing seamless control over your lighting and ambience. These touch switches are the embodiment of future-ready design, perfect for enhancing both residential and commercial spaces.

ViDA Switches

Modern Flair

Redefining contemporary aesthetics, the shape of these switches demonstrates a sleek, flat surface that elegantly combines with its sharp, edgy contours. Their geometric accuracy improves visual attractiveness and produces a remarkable but subdued presence in every space. Three refined colors—crisp white, elegant black and modern titanium—they effortlessly mix utility with aesthetic appeal, so serving as a focal point of invention and style.

TECHNOLOGY

Silent Rocker Mechanism

The Silent Rocker Mechanism (SRM) represents a ground-breaking innovation, designed to elevate switching operations to a new standard of refinement. Engineered with precision, it minimizes the ON/OFF sound to an impressive 65 dB, creating an almost silent experience. Every switch is crafted to deliver seamless functionality with a whisper-quiet performance, ensuring unmatched sophistication.

Dynamically Designed Sockets

Dynamically Designed Sockets (DDS) introduce a new era of connectivity, eliminating loose connections with their advanced engineering. Featuring an independent component design and a spring-like material, these sockets guarantee smooth and effortless insertion and removal. Engineered for durability and reliability, DDS ensures long-lasting performance and hassle-free operation, making every connection secure and efficient.

ACCESSORIES

Modern Utility Essentials

New Myrah's accessories are thoughtfully designed to elevate both convenience and functionality, making them the ideal additions to any modern space. This versatile range includes a fan regulator for total airflow control, a downlight that doubles as a footlight for subtle illumination and a USB outlet integrated into the plate for seamless connectivity.

HOSPITALITY

Redefining Guest Experiences

Modern hospitality demands more than just functionality—it craves innovation. Our extended range of new Myrah touch and dynamic rocker switches exceed expectations. Features like LED indicators, laser-engraved symbols and customer-centric accessories bring a new dimension of convenience and style to your space. When it comes to creating the "WOW" factor in hospitality, new Myrah's hospitality range plays a significant role in delighting guests at every touchpoint.

GREATWHITE – TRANSFORMING LIFESTYLES THROUGH INNOVATION & TECHNOLOGY

Since our inception, we have been striving to provide an extraordinary lifestyle through revolutionary products in the home electrical space.

We started our journey with a vision to make comfort and luxury a reality. With passion, relentless efforts and commitment; we have developed quality and innovative solutions. We are proud to be honoured as the "World's Best Brand Of The Year 2017-2018' for South East Asia. In the year 2022, we have bagged 'The Pride Of India Brands' award in the home electrical category at the Best of Bharat Awards 2022 hosted by Exchange Media. We have added another feather in our cap by being awarded as the 'Most Trusted Brands Of India' as an outstanding Home electrical solution provider by Marksmen daily Group. With the latest addition in 2024, we have received two awards for the LumaPro Shockingly Bright campaign : Best Data-Driven Creative Storytelling 'Gold' Award by Datamatrix (Adgully) as well as the Best OTT Platform - Marketing Award by Marketing Minds.

With extensive research and development, we have developed products that are a perfect blend of design and technology. All GreatWhite products are crafted to perfection at our two state-of-the-art manufacturing facilities at Haridwar and Valsad that are over 2,00,000 sq. ft. and 3,00,000 sq. ft. respectively. To provide an extraordinary lifestyle, we have developed revolutionary products like New Age Switches, LED Lighting Solutions, Fans, Home Automation, Wires And Cables, Switchgears, Sensors and more.

At the heart of GreatWhite lies innovation, luxury and passion. At GreatWhite, we leave no stone unturned to raise the quality of life and therefore, we create solutions that harmonize design and technology.

Join us in our journey of luxury, indeed in the journey of Great.
